

## Directions to NEAR

The 10<sup>th</sup> Annual NEAR Conference will be held at the University of Niigata Prefecture in Niigata City. 新潟県立大学) Building 1 section B (一号館 B 棟).

The campus is in the west end of the city, near Ogata station. For travel from downtown Niigata, we recommend using the train. The JR Hakushin line runs from Niigata Station to Ogata station approximately every 30 minutes in the morning. Ogata Station is the second stop from Niigata Station, right after Higashi Niigata. Volunteers will be available at Ogata Station to help participants find directions to the conference site. Details and links can be found on our webpage <http://nearconference.weebly.com/location.html>.

Location of the presentation sessions is shown in the campus map below – building 1 section B. The registration desk is in front of the stairwell on the second floor. All presentations will be held on the second floor, except for the plenary speaker which will be in the lecture hall. For those coming by car, there is parking directly outside of the building 1 entrance.
